I was nominated to be the EAPN representative at the 2015 delegates meeting in Edinburgh. This year I have been able to familiarise myself with how EAPN works and have been able to attend the Capacity Building and General Assembly in October which was very useful.

The EAPN Task Force on Poverty and Human Rights, of which I am member, met for the first time in July 2016. The work has been extended until the end of 2017. Given that I have made contacts and am now more familiar with the work, I would like the opportunity to develop this further and continue to represent IFSW-E on EAPN.
