**Review of the cash basis financial accounting and documents for the year 2024 of  
IFSW Europe e. V. – audit report**

Dear Mr. Auslander,

You asked us for a review of the IFSW Europe e. V. financial records and documents for the year 2024 which are kept by you. In addition you asked us for a certification of the formal correctness of these records according to the documents. We carried out a spot check on the papers presented to us which led to the results below.

**A. Data basis**

- Statement of all bank transactions
- Receipts and documentation for all bank / cash transactions

**B. Respondent**

- Brian Auslander
- Ana Radulescu

**C. Result**

- All revenues and expenses were recorded completely
- All (on a sample basis reviewed) records are based on proper receipts

We certify that the records kept by you, were subject to a spot plausibility check, whereby the work was limited to documents issued in German or English. There was no reason for complaint.

IFSW Europe e. V. records showing a loss for the year 2024 of 114.993,72 EUR (P&L attached).
