- Kofi Annan ICT Centre (Ridge)

Main speakers suggested

- Prof Mavis Gyeke-Darko
- Prof Rose Walls
- Prof Hwedie
- Mr. Daniel Nona

NB: Financing GASOW activities and Funding of the activities

- Our ability to execute this activity for the year would depend on our willingness, availability and ability of all NEC members to raise funds for these activities for the association.
- We are also reminded of the fact that we own GASOW an annual general assembly which the planning committee suggested should be added to WSWD 2020 event.
