Dear Secretary General:

Receive a warm greeting:

Both the Vice President of the Region and myself have reviewed the documents submitted by the National Federation of Colleges of Social Work of Mexico. After a thorough analysis, we conclude that the organization has all the requirements to be admitted as a full member of the IFSW. The organization is a national representative body. Legal registration is in order. Its statutes and code of ethics meet the requirements of the IFSW.

We request that Mexico's application to become a full member of the IFSW be submitted to the General Assembly.
