

Brian Auslander, MSW, LCSW  
Candidate for Treasurer, IFSW Europe

I am asking for your support to continuing serving IFSW as the European treasurer for an additional term. In 2015, I was elected to the European executive and volunteered to serve as the honorary treasurer. In 2017 and 2019, I was elected to additional 2 year terms as treasurer

I have been very lucky to be working with very capable people leading the European region. It has been my pleasure to work with Ana Radulescu and John Brennan in their roles of president and vice president as well as all the other members of the executive over the last several years. In addition, I would like to recognize the support and advice that I have received from the financial advisory group, Nicolai Paulsen, Herbert Paulischin and Ruth Allen. Their input has been invaluable.

On a personal note, I have been an active social worker since 1974 working in numerous specialties. I have experience in direct service, supervision of staff and students, administrative roles and academic settings. I have worked in both Israel and the United States. I retired in 2016. I am married with 2 married children and 8 grandchildren.

It would be an honor to continue to serve IFSW Europe as treasurer.
