## OUR MISSION

*Consolidation of experts and specialists in the field of social work to form a national concept for the development of social work and improve vocational education in the Republic of Kazakhstan.*

## OUR PARTICIPANTS

Professional social workers and specialists performing the functions of social work in the system of social protection, health care, education, and internal affairs.

**We invite you to join the  
National Alliance of  
Professional Social Workers if  
you work as a specialist in  
social work in the health care  
system, social protection,  
education!**

**NATIONAL ALLIANCE OF  
PROFESSIONAL SOCIAL  
WORKERS OF  
KAZAKHSTAN (NAPSWRK)**

*On April 8, 2019, the first in  
the Republic of Kazakhstan  
"National Alliance of  
Professional Social Workers"  
was created*

*A national, republican organization committed to social justice, respect for human rights and social development through the promotion of social work, best practice models and the promotion of international cooperation.*
