

IFSW UN Commission, Geneva Team

Some members of the IFSW UN-Commission Geneva team met with the UN-Commissioner Priska Fleischlin in Geneva. We welcomed the two new team members Sibylle Mani and Brigitte Leroy-Wymann, both social work practitioners, and picked up our new annual grounds pass. We are now preparing their main area of work. For further information, please visit our website www.ifsw.org

We also took the opportunity to participate the current session of the Human Rights Council – on the issue of the new UPR-Rules. See this Link: [Universal Periodic Review | OHCHR](#) which is one of the instruments of OHCHR to address current problems in regard to ratified UN Conventions.

Afterward, we took the chance to also discuss some organizing issues for the first in-person meeting of the UN Commission in June this year in Switzerland, with the kind support of the Swiss Association of Social Workers, AvenirSocial. Further information will be provided later this year.
