To Whom It May Concern,

I am writing to highly recommend Mr. Filip Nývlt as a candidate for the position of IFSW Europe Regional Vice President in the upcoming elections. Mr. Nývlt's dedication, experience, and leadership in the field of social work make him an outstanding candidate for these significant roles.

Mr. Nývlt currently serves as a valued member of the board of the Czech Association of Social Workers, demonstrating his commitment to advancing the profession and contributing to the development of social work practices. In addition to his board membership, he has been an active social worker, consistently exhibiting a strong passion for advocating the rights of minorities and marginalized individuals.

Furthermore, Mr. Nývlt is the founder and director of a non-governmental organization dedicated to supporting the rights of minorities and generally disadvantaged individuals. Given his extensive experience in social work and his proven leadership skills, we firmly believe that Mr. Nývlt is an ideal and responsible candidate for the positions of IFSW Europe Regional Vice President. His commitment to the principles of modern social work aligns seamlessly with the goals

of IFSW Europe, and we are confident that his involvement will contribute significantly to the growth, prosperity, and promotion of contemporary social work ideals in the European context.
