

Jane Hoey Sales and Auction

10 March 2025

We look forward to welcoming you to the **Asia Pacific Social Work Conference 2025 (APSWC 2025)** in Colombo, Sri Lanka! As part of this event, we invite you to participate in the **Jane Hoey Sales and Auction** to support social workers in developing countries.

About the Jane Hoey Fund

Jane Hoey was an American social worker dedicated to international social work. She left a legacy fund to support social work in developing regions.

The fund assists social workers from developing countries, Central and Eastern Europe, the Commonwealth of Independent States, and the Baltic States. It provides financial support for attending international conferences and for specific social work projects in targeted countries.

How You Can Support

- **Bring an Item:** Please bring a small, transportable item from your country to contribute.
- **Drop it at the IFSW-AP Booth:** Items will be collected for either a silent auction or a live auction during the Conference Dinner.
- **Spread the Word:** Encourage your colleagues to participate and support the fund.

Your contributions will make a meaningful impact on social workers who need financial assistance to engage in international events and professional development. Thank you for your support, and we look forward to seeing you in Colombo!
