Talaat Hassan Hamoud

Brief Bio:

Talaat Hassan Hamoud is a distinguished Sana'a university teacher in the Social Work Department and a seasoned practitioner with 15 years of experience in Yemen. He earned his Master of Social Work from Sana'a University with excellence and is in the final stages of his PhD. that focuses on Requirements for Professional Performance Development for Social Workers in Confronting Crises and Disasters .

A frontline social work practitioner in Yemen, Talaat has excelled in a variety of humanitarian roles throughout his career. He has served as an area-based coordinator for CCCM and as a CCCM sector manager at YGUSSWP. His extensive experience also includes work as a national consultant and expert on case management systems for vulnerable children at UNICEF and the Ministry of Social Affairs and Labor, where he provided crucial psychosocial support in conflict-affected areas.

A certified consultant in social work by both UNICEF and the Ministry of Social Affairs in Yemen, Talaat has successfully trained numerous professionals and social work practitioners in social welfare, case management, children's rights, and displacement. His active involvement in humanitarian interventions in Yemen, along with his participation in the Protection Cluster SAG, Shelter Cluster SAG, and CCCM Cluster TWIG, in Yemen have further honed his expertise in collaborative humanitarian efforts and improved and strengthened the social work in humanitarian response in emergencies .
