### Letter of Support for the Nomination of Ms. Ana Rădulescu for IFSW President

The Professional Association of Social Workers in Romania (ASproAS) is honoured to formally nominate and fully support Ms. Ana Rădulescu for the position of President of the International Federation of Social Workers (IFSW).

Ms. Rădulescu brings over three decades of professional experience and has demonstrated exceptional leadership at national, European, and global levels. Her tenure as President of IFSW Europe and as Global Vice-President has been marked by a clear commitment to strengthening the role of social work in responding to complex social challenges, advancing professional standards, and ensuring that practice realities inform policy and strategic decision-making.

Her leadership is grounded in practice, collaboration, and responsibility, with a strong capacity to bring together diverse professional communities and foster meaningful dialogue across regions. She has consistently contributed to positioning social work as a key actor in addressing issues such as social inequality, mental health, crisis response, and the sustainability of social services.

We are confident that Ms. Rădulescu has the vision, experience, and integrity required to lead IFSW in a period of significant global challenges, while upholding its core values of human rights, social justice, and professional dignity.

This nomination has been formally approved by the Executive Board of ASproAS.

We offer our full and unequivocal support for her candidacy.

Sincerely,

Lucian Caciamac  
Vice-President
