RE: NOMINATION OF MSEKIWA MAKWANYA FOR IFSW REGIONAL VICE PRESIDENT FOR AFRICA

Dear Members of the Elections Committee,

It is with great honor and professional conviction that the National Association of Social Workers Zimbabwe (NASWZ) formally submits the nomination of Mr. Msekiwa Makwanya for the position of IFSW Regional Vice President for Africa. As the current President of NASWZ, Mr. Makwanya is leading a transformative period marked by enhanced professional visibility and robust advocacy for social justice. His deep-rooted expertise as an Independent Advanced Social Work Practitioner and consultant, combined with his contributions to digital social work and policy implementation, uniquely positions him to advance the IFSW Africa Region's strategic goals.

At a virtual meeting of the National Executive of NASWZ held on 04 May 2026, a formal motion to nominate Mr. Makwanya was moved by Dr. Adam Mukushi (Treasurer) and seconded by Ms. Cynthia Chinengundu (Deputy President). Following a call for objections by the General Secretary, the National Executive recorded unanimous support. Consequently, the motion carried, reflecting the collective confidence of the Zimbabwean social work fraternity in Mr. Makwanya's capacity to represent Africa on the global stage.

We have attached his signed Profile and Curriculum Vitae for your consideration. Mr. Makwanya possesses the practical wisdom, language capabilities, and dedication required to fulfill the duties of this high office. We thank you for your time and look forward to the further development of the profession across our region.

Yours in Service,

Sheanesu Kwenda

Secretary General, NASWZ

Dr. Adam Mukushi

Treasurer, NASWZ
