

2014 World Social Work Day in Kenya

Submitted by the Kenya National Association of Social Workers.

WSWD in Kenya was celebrated by undertaking various activities in one of the main prisons in Central Kenya region. The event started with a road march from Nyeri town to the main prison. The focus was on the inmates with special needs; the aged, disable, sick and the traumatized. Counseling and group therapy sessions were conducted. The climax of the event was the planting of a commemorative trees at the prison compound.
