**RE: Tanzania motion to nominate and support Mr. Joseph Kayinga for
IFSW Africa Vice President Position**

The Tanzania Association of Social Workers (TASWO) is aware of the IFSW Africa Vice President vacancy following the Election of Mr. Noel to the Africa Regional IFSW Presidency in Seoul. We are also aware of the intention of Mr. Joseph Kayinga who is among our national leaders, serving as Publicity Secretary for TASWO since 2011. We understand also that he is volunteering as Regional Secretary for IFSW Africa from 2014.

In that regard and having confidence in him, we are aware that he is capable for the post. We believe that his devotion for Social Work profession and volunteering spirit will contribute towards the revitalization and membership growth of IFSW in Africa. Hence, we see and support his good reason for standing to the IFSW Africa - Vice President Candidacy and table before you this nomination.

With regards

.....
Dr. Zena M. Mabeyo
TASWO Chairperson

.....
Nicolaus Mshana
TASWO Executive Secretary
