Dear Mr. Dr Rory G Truell,
we would like to apply Slovak chamber of social workers and social work assistants to International Federation of Social Workers.

We are sending a completed application; our Code of Ethics of Social Workers and Social Work Assistants of the Slovak Republic; and Statute of the Slovak chamber of Social Workers and Social Work Assistants in attachment of this message. We would like to join IFSW from January 2017.

Please inform us about the membership payment.
If we need to make some changes, please, let us know.
We are sending the application by the post office too.
Thank you for your help.

Our best wishes from Slovakia,

Mgr. Peter Kulifaj
