On behalf of the Social Workers Association of Zambia (SWAZ), I am pleased to write this letter of nomination and support for Mr. Joachim Mumba, the current Secretary-General of SWAZ, to become the next Vice-President of Africa Region.

Mr. Joachim Mumba has been one of the most capable and competent Secretaries-General of SWAZ. He has served as Secretary-General of SWAZ for more than (8) years with an upper-class distinction. Above all, Mr. Mumba's creative and tremendous passion for the social work profession is both exemplary and out-standing. It is his creative and tremendous passion for social work which was by far the single most important factor responsible for the success of the just ended International Africa Social Work Conference in Zambia.
